

## Sexual Integrity for Men – Syllabus

Sexual Integrity for Men is a class that helps men who are struggling with pornography and sexual addiction. We will explore the Bible's teaching on sexual sin and wholeness, and how the power of the gospel of grace can set us free from addiction to sex and porn, and lead us into joyous obedience and service to Christ.

This 10-week class consists of a 1-hour lecture, followed by discussion groups. Homework consists of readings and written assignments.
